**FOUNDATION PARTNERS WITH
COMMUNITY FOUNDATION
OF NORTH FLORIDA**

We are thrilled with the buzz created over the launch of *Keep Leon Strong*, the \$1 million endowment campaign sponsored by the Leon High School Foundation. We are on our way to building a permanent source for academic & extracurricular support at LHS. The Foundation is proud to announce our partnership with the Community Foundation of North Florida for financial and administrative management of the Endowment account. The CFNF has been helping not-for-profit organizations create Endowments for years. "The Community Foundation of North Florida is an ideal vehicle for building an endowment to meet current challenges and provide long-term stability for the future of your organization." stated Joy Watkins, Director of CFNF. "We are honored to partner with the historic Leon High School and it's Foundation in its first major endowment campaign effort."
