

HOW YOU HELPED CHANGE THE LIVES OF

SINCE 1981, THE FOUNDATION HAS PROVIDED SEVERAL HUNDRED THOUSAND DOLLARS TO ENRICH THE ACADEMIC AND CO-CIRCULAR EXPERIENCES OF LEON STUDENTS.

- Two years ago, the Foundation kicked off an aggressive campaign to create a **MILLION-DOLLAR ENDOWMENT**. We are proud to report we have achieved over 40% of this goal. The purpose of the Endowment is to insure our donors' contributions are utilized in perpetuity for the benefit of Leon's students.
- This Fall, the Foundation awarded **GRANTS** totaling \$21,000.00. The money raised for grants will be used in a wide array of purposes including:
 - ACT preparation materials
 - DVDs, software, and audio equipment for foreign language classes
 - A sanitation dispenser for culinary classes
 - Funds needed to take students to a marine specimen lab at the Gulf coast
 - Guitars for the music department
 - Electrical and audio equipment for the performance arts program
 - iPad minis for ESE students
 - A sound system for the fine arts department
 - Ethnic foods for social studies students
 - Air track devices for the Physics Department
 - Wave making models and balances for the science department
- The Foundation also funds and manages **SCHOLARSHIPS** in excess of \$20,000.00 per year for our graduates.
 - The scholarships range from a full ride to Tallahassee Community College to partial funding to the University of a student's choice. The scholarships serve a wide spectrum of our graduates and include students who could not continue their education but for the Foundation's scholarship funds.
